

Model. AXMSSK2/USB

2 Gang Switched Socket c/w USB 2.1A Sharing

Features & Benefits

There are currently no features entered for this product item.

Safety Information

IMPORTANT - Before undertaking any work on or maintenance of fitting:-

- Switch off power supply and allow sufficient time to cool before handling
- Do not dispose of decommissioned fitting in household waste
- Dispose of fitting in the appropriate section of your local civic amenity site or recycling centre only

Product Summary

Axiom Vertex twin switched USB Charger sockets have a key competitive advantage in terms of their two 5v USB sockets. One has a rating of 1.2A - primarily for mobile phones, whilst the second has a 2.4A rating for charging iPads and tablets. As a result, virtually all modern IT devices can be charged quickly from one mains socket. Products comply with BS standards 5733 and 1363.

Technical Specifications
